

Hostplus ASX Proxy Voting Record

July to December 2017

Introduction.

Hostplus' Corporate Governance Policy for listed equities details guidelines that are applied to Hostplus' mandated Australian and international equity fund managers in relation to voting of resolutions for entities listed in the Australian Stock Exchange (ASX) and contained in the MSCI World ex Australia Index.

For mandated Australian equity fund managers, Hostplus reviews the recommendations provided by the Australian Council of Superannuation Investors ("ACSI") of which Hostplus is a member and will generally vote in accordance with their recommendations.

Hostplus does however reserve the right to override ACSI recommendations from time to time. Hostplus will take into account where relevant, advice from fund managers in order to ascertain a voting position in the best interests of Hostplus and its members.

For mandated international equity fund managers, Hostplus adopts ACSI's International Voting Alert Guidelines. The guidelines cover the United States, Canada, United Kingdom, Continental Europe, New Zealand, Asia, South Africa, Brazil and Russia. Glass Lewis International will execute all votes in accordance with ACSI's international voting policy.
