

Hostplus ASX Proxy Voting Record

July – December 2018

Introduction.

Hostplus' ESG Policy ("Policy") contains provisions for proxy voting activities related to our Australian equity and international equity holdings.

In relation to Hostplus' Australian equities held in discrete mandates (i.e. directly-held in the name of Hostplus), the trustee office relies on proxy voting advice received from the Australian Council of Superannuation Investors ('ACSI'), as well as investment managers.

Directly-held international equity holdings are typically voted in line with the recommendations from an external proxy advisor, Glass Lewis. Hostplus periodically reviews the policy principles on which these recommendations are made and their alignment with key voting principles outlined in Hostplus' ESG Policy.

Hostplus retains the discretion to override any voting recommendations (for directly-held Australian and international equity holdings) where that action is considered to be in the interest of our members or investors.
