

A guide to rolling part of your account balance into Hostplus.

By completing this form, you're requesting the transfer of the **partial** balance of your superannuation benefits to Hostplus. This form **cannot** be used to transfer the entire balance of your superannuation benefits. This form will **not** change the fund to which your employer pays your contributions. The standard choice form must be used by you to change funds.

How to transfer.

Before completing the Request to transfer form:

Please ensure you read the important information below.

When completing the Request to transfer form:

- Refer to these instructions where a question shows a message like this: **i**
- Print clearly in BLOCK letters.

After completing this form:

- Sign the authorisation
- Send the Request to transfer form to Hostplus.

i This transfer may close your account (you will need to check this with your **from** fund).

The Request to transfer form **cannot** be used to:

- transfer the entire balance of your superannuation benefits – if you'd like to roll your entire balance into Hostplus, use the Request to transfer your entire account balance into Hostplus form
 - transfer benefits if you don't know where your superannuation is
 - transfer benefits from multiple funds on the one form – a separate form must be completed for each fund you wish to transfer superannuation from
 - change the fund to which your employer pays contributions on your behalf
 - open a superannuation account, or
 - transfer benefits under certain conditions or circumstances, for example if there is a superannuation agreement under the Family Law Act 1975 in place.
-

What happens to my future employer contributions?

Using the Request to transfer form to transfer your benefits will not change the fund to which your employer pays your contributions and may close the account you are transferring your benefits **from**.

If you wish to change the fund into which your contributions are being paid, you will need to speak to your employer about Super Choice. For the appropriate forms and information about whether you are eligible to choose the fund to which your employer contributions are made, visit www.superchoice.gov.au or call the Australian Taxation Office on 13 10 20.

Things you need to consider when transferring your superannuation.

When you transfer your superannuation, your entitlements under that fund may cease. You need to consider all relevant information before you make a decision to transfer your superannuation. If you ask for information, your superannuation provider must give it to you. Some of the points you may consider are:

- Fees – your **from** fund must give you information about any exit or withdrawal fees. If you are not aware of the fees that may apply, you should contact your fund for further information before completing the form. The fees could include administration fees as well as exit or withdrawal fees. The differences in fees that different funds charge can have a significant effect on what you will have to retire on. For example, a 1% increase in fees may significantly reduce your final benefit.
- Death and disability benefits – your **from** fund may insure you against death, illness or an accident which leaves you unable to return to work. If you choose to leave your current fund, you may lose any insurance entitlements you have. Hostplus may not offer the same insurance so it's important that you check the costs and amount of cover offered.
- If you have insurance cover through another Super Fund, you may be able to transfer your cover to Hostplus. To apply to transfer your existing insurance cover to Hostplus, please complete the Insurance Transfer Form.

What happens if I do not quote my Tax File Number (TFN)?

If you do not provide your TFN, contributions made to your account may be taxed at the highest marginal tax rate plus the Medicare levy, compared to the concessional tax rate of 15%. Hostplus may deduct this additional tax from your account.

If we do not have your TFN, you will not be able to make personal contributions to your Hostplus account. Choosing to quote your TFN will also make it easier to keep track of your superannuation in the future.

Under the Superannuation Industry (Supervision) Act 1993, Hostplus is authorised to collect your TFN, which will only be used for lawful purposes. These purposes may change in the future as a result of legislative change. The TFN may be disclosed to another superannuation provider, when your benefits are being transferred, unless you request in writing that your TFN is not to be disclosed to any other trustee.
